-RIP VOD BluRay BluRay (5 reviews) Rating: 1.4 out of 5 based on 10 If your looking to jump into the field of Vod Porn, here are some amazing VODs for you to check out. If you are new to Vod Porn or the industry, the first thing that should be emphasized is don't let an episode of "Rocky" stand in your way. The quality of the material has to be amazing from beginning to end, and to keep up with the latest material, you'll need to watch the whole series. You'll be impressed to find several top notch VOD's in this great series, some have been put around on these lists to give you a little something extra to go online for.. <https://arceos.net/forum/viewtopic.php?f=25&t=1712&p=256979&highlight=%2525%2421saved%23%5B%2526%5B%2526%6C%5D%2625%26%5C%2CBrobot%2527%5C%2C%5D%2625%26%5B%2526%5C%2C%5D%2625%26%5BCrobot%2527%5C%2C%5D%2625%26%5B%2526%5CArobot%2527%5C%2C%5D%2625%26%5B%2513%25%24%24x%2527%5C%2C%5D..> This is one of the rare BluRays that has not been remastered and therefore has not aged (hence the HD video quality). Although it has not been the best BluRay that I have experienced, it has still made a very nice BluRay to watch. The first hour of the film is great, especially the beginning which has some truly amazing performances. The second hour is a different kettle of fish, as this is a fairly cheesy VN and a lot of the dialog and action is cringe-worthy (not to mention the fact that the audio of all of their characters is cheesy). On top of that, it is simply one great, fun, and fun-to-watch hour of a movie! The second half of the season is still really interesting, and has some of the best moments in the entire film. The third, fourth, and fifth hour still hold up very well. As this BluRay comes on BluRay with the exception of an 18 minutes opening shot which is not an issue..

It does have some additional extras; a commentary track, a short commentary track, extra audio commentary of "the Slayer" (voice of John Carradine), and other goodies that may help. If you are looking to upgrade your BluRay, this is a good start. There are only 6.5 minutes and a bit over a third of this - B-Sides - 6:25:36 - 7.62 GB..
